Above n

- Should be used when a source has been cited in a previous footnote other than the immediately preceding footnote.
- Should be used when the immediately preceding footnote contains more than one source.
- Should NOT be used for cases, international decisions, legislation, treaties, UN documents, WTO, GATT & EU documents (if unsure ask Library staff).

Tip: Include the title (shortened) where there are multiple works by the same author.

Book

Journal article

Multiple sources in footnote
